

# SKY ISLAND BIRDS: IDENTIFICATION, NATURAL HISTORY, & FIELD SIGNS

Join Expert Birder Homer Hansen and Naturalist Vincent Pinto as they guide you in a fascinating journey into the world of Sky Island Birds.

During this field workshop you will learn to ID a wide variety of bird species by sight & sound, discover the unique form & function of birds, explore a number of distinct bird habitats, practice finding & IDing bird tracks & signs, and what you can do to help and promote bird conservation where you live.

**Whether you are a seasoned birder or a beginner, you are sure to learn and have fun during this informative, and exciting workshop!**

**WHERE: RAVEN'S NEST**, a private & pristine 42-acre Nature Sanctuary near Patagonia Lake. Camping is available at the Sanctuary w/ alternate lodging nearby at Windsong Ranch (Call Erin Blanding: 520-841-2104).

**WHEN: APRIL 13th - 14th** (Sat.- Sun., w/ optional Friday field trip if you desire a longer adventure!)

**TUITION: \$150 per day (or \$275 for the entire weekend/ plus add \$75 for Friday field trip)**
